

 **AMBRELLA LIGHT**

2021-2022

Бренд Ambrella light
это светодиодное декоративное
освещение для вашего домашнего
и рабочего пространства.

Мы можем гордиться тем, что у нас один
из самых широких ассортиментов светодиодной
продукции на рынке светотехники.

С 2011 года наша компания является производителем собственной торговой марки Ambrella light на территории России и стран СНГ. Мы выпускаем более 2000 топовых позиций светотехнических изделий.

Наши коллекции современных источников света подойдут под любые интерьерные решения и вкусовые предпочтения.

Наша основная деятельность —

производство и поставка светотехнической продукции для оптовых продаж в России и странах СНГ.

Компания под единым брендом Ambrella Light предлагает следующие товарные группы:

- светодиодные управляемые светильники и люстры
- традиционные люстры и бра
- встраиваемые и накладные точечные светильники
- настольные лампы
- трековые светильники
- светодиодные лампы
- уличные светильники

Наши возможности

- Доставка по всей России и странам СНГ
- Наличие на складах
- Доступные цены
- Партнерские программы
- Качество продукции
- Сервисная поддержка

Изготовление бытовых источников света, аксессуаров и светильников осуществляется на территории КНР. Производственные циклы охватывают все этапы - от стадии изготовления светодиодной матрицы до упаковки конечного продукта.
